TeamLogic IT Receives Fast 55 Ranking For Second Time -- Company earns ranking as one of the fastest growing, young franchises in the nation

advertisement

[Rackspace Hosting](#) is the world's leader and specialist in hosting. Rackspace delivers computing-as-a-service through its portfolio of hosted IT services including managed hosting, email hosting and cloud hosting. Rackspace is the better way to do hosting. Let Rackspace build you a custom solution.

» MISSION VIEJO, Calif., March 19, 2009 -- TeamLogic IT, a nationwide network of businesses that provide comprehensive computer-based services for managing information technology, recently made the Fast 55 ranking compiled by Franchise Times magazine. This is the second year the company made the list, ranking number 48.

This is the sixth year Franchise Times has published the Fast 55 ranking. The list, which focuses on franchise companies with high growth rates during their first five years of franchising, is compiled by FRANdata, a Washington, D.C.-based, research company that analyzes franchise information and data. TeamLogic IT's growth rate in units since inception through 2007 was 336%.

"Small businesses rely on their technology [infrastructure](#) regardless of the state of the economy and this makes our business model highly recession resistant," said Chuck Lennon, president of TeamLogic IT. "Our franchisees are typically able to offer their customers cost-saving IT solutions which become even more important during cost-conscious time periods such as those experienced in today's economy."

About TeamLogic IT

TeamLogic IT is a nationwide network of computer consultation, managed services and repair businesses providing outsourced IT services to thousands of businesses. The company addresses the needs of most computer networks and systems and becomes the "IT Partner" for their small and medium-sized business customers.

Based in Mission Viejo, California, TeamLogic IT is owned by Franchise Services, Inc., a management company that owns the franchise brands Sir Speedy, PIP Printing and Marketing Services, Signal Graphics and MultiCopy. In addition to the Franchise Times Fast 55, TeamLogic IT also received a Franchisee Satisfaction Award from Franchise Business Review ranking number 2 in the Small Class category. FSI's brands have received numerous awards and recognition including, Franchise Times Top 200, Entrepreneur Franchise 500, and the Franchise 50 Award.
